RING SIZING GUIDE

Measure an existing ring or measure your own finger to find your perfect SHEYN ring size

A

MEASURE ONE OF YOUR OWN RINGS

Print this PDF on a A4 sheet and place your ring on top of the circles until the inner diameter fits exactly one of the circles. If your ring is in between two sizes, you should order the larger size.

EUROPE	50	52	55	58	60	62	64
Ø IN MM	15.7	16.5	17.3	18.2	18.9	19.5	20.6
USA	5	6	7	8	9	10	11

B

MEASURE YOUR FINGER

1. Print this PDF on a A4 sheet and cut the measuring strip.
2. Cut a slit on the dotted line and insert the pointed end of the strip.
3. Wrap the measuring strip around your finger so that the units are visible.
4. Position the strip at the widest part of your finger.
5. Pull the strip on your finger so that it sits comfortably.
6. The number in the slit is your ring size. If your size is in between two sizes, you should order the larger one.
